› References

[FAQ on HDR images for photography](#)

List of [Auto Exposure Bracketing \(AEB\) settings](#) by camera model.

› Online articles and tutorials

[HDR and Tonemapping](#): Series of articles on HDR imaging techniques for photographers. [HDR Tutorial](#) from artist Trey Ratcliff.

[Beginner's Guide to HDR](#)

[RAW HDR Processing](#): Using HDR techniques with a single RAW file (note: for most scenes, it is still highly recommended to take more than one [exposure](#)).

[Photomatix Pro tutorial](#) by Ferrell McCollough, author of the "Complete guide to High Dynamic Range digital photography" book.

[How to create 'High Dynamic Range' images using Photomatix](#) by Pete Carr.

[Tone Mapping in Photomatix](#) and other HDR tutorials.

[High Dynamic Range digital photography](#): Well documented article published in the Royal Photographic Society Journal, November 2006.

[HDR Landscape Photography Tutorial](#): very comprehensive article covering both theoretical and practical aspects of HDR photography.

› DVD/Video

[HDR Mastery](#): Ben Willmore's online class made into a DVD, showing step-by-step how to master HDR imaging.

[HDR and Photoshop](#): Colin Smith's guide to the world of HDR - 2 1/2 hours video of HDR and Photoshop CS3 Training.

[HDR Photography Made Easy](#): Tony Sweet shows all the steps in capturing and processing HDR images.

› Books

[Complete guide to High Dynamic Range digital photography](#) by Ferrell McCollough: beautifully illustrated and practically oriented guide, including many technical advices you will not find anywhere else.

[Mastering HDR Photography](#) by Michael Freeman: well documented and researched book, covering essential elements of HDR and tonemapping, illustrating theory with practical examples, and including case studies.

[The HDR Handbook: High Dynamic Range Imaging for Photographers and CG Artists](#) by Christian Bloch.

› Equipment

[Promote Control](#): advanced bracketing control for DSLRs. Particularly useful for HDR time-lapse and for cameras that have limited bracketing options.

› Mailing list

[HDR-photo list](#): discussions on High Dynamic Range photography, from capture of HDR scenes, to processing, display and tone mapping of HDR images.

[HDR Software Yahoo Group](#): group designed to help photographers and graphic designers understand and either share their knowledge or gain knowledge from others in the use HDR Software
